

# Compare and Order Integers

Plot the integers on the number line. Then compare the integers using  $<$  or  $>$ .

Compare the integers using  $<$  or  $>$ .

$134 \text{ } \bigcirc \text{ } 143$

$47 \text{ } \bigcirc \text{ } -50$

$-16 \text{ } \bigcirc \text{ } -11$

$71 \text{ } \bigcirc \text{ } -67$

$2 \text{ } \bigcirc \text{ } -17$

$-3 \text{ } \bigcirc \text{ } 0$

$-100 \text{ } \bigcirc \text{ } 99$

$-14 \text{ } \bigcirc \text{ } -5$

$-19 \text{ } \bigcirc \text{ } -20$

Write the integers in order from least to greatest.
